Identity Verification

Together with Anti Money Laundering Documentation, for Corporate investors an up-to-date authorised signature list, Memorandum and Articles of Association or a Certificate of Incorporation (all documents must be the originals or certified true copies). We have certain responsibilities to verify the identity and permanent address of our clients under UK anti money laundering legislation. If you are resident in the UK we will undertake an electronic anti money laundering check of the personal data you have provided. The check will be undertaken by a reputable referencing agency, which will retain a record of that check. This information may be used by the ACD, Registrar and depository for fraud prevention purposes. Details of the service we use are available upon request. Where an electronic check of personal data is not appropriate or acceptable we will ask you to provide documents to establish the correctness of your personal details. These will generally be a certified copy of your passport or photo-card driving licence together with a copy of a recent bank statement or utility bill dated within the last three months, but other documents may be required by us depending on the circumstances. We reserve the right not to make payments to third parties unless this is in relation to a deceased account, and will not allow payments from any other party.
